New notes are being added to Bahrain's growing jazz scene this week with the celebration of the 10th annual International Jazz Day by the Bahrain Jazz Fest, writes Naman Arora. Last night, Bahrain's first jazz hip-hop collective, Tribe 11, took to the virtual stage to bring a sound inspired by iconic hip hop group A Tribe Called Quest, and today, eminent musicians from Luxembourg are set to entertain audiophiles with tunes from one of Europe's top jazz hubs.
