Kota Kinabalu: The third edition of the Sabah Jazz International Jazz Day returned this year with a resounding success which saw the participation of some 2,000 attendees and even the support of Sabah Tourism Board.

Organised by the Sabah Human Development and Empowerment Association (SAHDEA) at Riverson, The Walk, the event held on Apr 30 from 12pm – 5pm has been officially listed on Unesco's International Jazz Day Celebration, making it the only official Jazz Day event in Borneo.

SAHDEA Vice President Jessel Yansalang said: "We wanted this year's celebration to be slightly bigger than last year, and with Sabah Tourism Board's support this year, we were able to invite six quality jazz performers from all around Sabah to perform on stage".
